this guy ...

yeah ...

he's not sleeping...

Akane also said he seemed strange...

This guy's the traitor that fought Clay and Akane....

no sleep ?

he's just your good average citizen

he has no martial arts experience yet he fought bare handed

I also looked into his background but there's no criminal record

and in addition, there's the insomnia anomaly

I see... you say he changed abruptly...

It's a possibility that witches have something to do with this case...

it may be possible that this is some wicked experiment of their's

Shibusen and the witches have been enemies for many years...

I look forward to working with you

Understood. Shibunsen will take care of this. we'll send an agent to the prison

# Soul Eater Not!

The midterm tests are next week, so we've gathered everybody for a study session at Master's shop

*but I* don't have much *love* for studying

Get a hold of yourself! This is the long awaited study session you came here for

*No and no can't do it can't do it can't do it can't do it*

nor does Kim-san ...

*Was there something like a test!?*

EH!?

of course, Meme-san remembers what the test is about, right...

but, Jackie-senpai's notes are so well organized and easy to understand

This image is hosted at MangaTank.com

AH!?

There was indeed a test!

Meme-san, why do you think that we're all here today?

HOI YOU! Don't waste time with such useless talk

When is "that"?

about the day after tomor-row?

tom... no, mor...

Do you even know when the test will be held?

Came to take your orders

GEWD MORNING

I'll be back sometime in a random amount of time

But, it's entertaining somehow

Eh!? there's still...

ice coffee mocha please

ice lemon tea please

cappuc-cino please

ice coffee for me please

royal milk tea please

.....

If that's so, shouldn't you have Ox-kun teach you instead?

So...

the stubborn girl who's always stuck to her friend surprisingly can't teach very well

what's that... the point is that this is bad, and scary.

I'll have to endure the stubborn girl!

If it's him, the lesson would be so detailed that it would be a punishment

So everybody, have any problems that need solved?

Surprisingly, Kim-senpai is the easy to tease type?

WHAT'S WITH THAT FACE, IT PISSES ME OFF!

This image is hosted at MangaTank.com

well well then...

by all means, go ahead

There you go

!

just by looking at their faces. PERFECT!

Isn't this what you ordered? Recently, I became able to tell what people want

ポチャン

カチ ン チャ

Since I don't remember what I ordered, anything's fine with me!

Meme-san?

there's always that feeling

However, before a test you're pretty uneasy

the mere fact that two girls can handle all of these customers alone is amazing... though it seems more high speed than hard work

Aren't there more people here now than when we were working here?

A lot of customers are here, yet surprisingly they aren't running away

This image is hosted at MangaTank.com

SHUT UP! I CAN DO THIS!

SHUT UP! OR AT LEAST TRY AIMING!

BASTARD, DON'T STEP BACK!

HAHAHAHA! THAT'S IMPOS-SIBLE!

let's leave them alone

we've got Tsugumi-san's group to look after

They've been noisy for a while now... I wonder if they're Shi-busen students as well?

I think they possess the abilities of NOT students, if I'm wrong then they're too many to handle.

What's up with those guys?

you're gonna end up in the hospital

The tubers won't leave

HOW DARE YOU TALK LIKE THAT, BITCH! WE'RE CUS-TOMERS!

YOU'RE BEING A NUISANCE TO THE OTHER CUSTOMERS

HUH?

?

SINCE YOU'RE WOMEN WHO GOT CARRIED AWAY...

I'll never forgive you!

If you raise your hands against the girls of this store

uhh...

?

?

let's go

ゴゴゴゴゴゴゴゴ

ゴゴゴゴゴゴゴゴ

I have to wear "that" again...

Eehh!? Wearing "that"?

okay... no prob

Master, we'd like to help you too

Hop!

I'll pass

Fine, would you cut the lemons over there?

Don't Forget, I get paid For this!

Is there some work back here?

me... hold on...

I'd like to wear ... maybe ...?

What are you going to do, Jacqueline?

n... no, it was a suggestion I couldn't refuse From a certain celebrity From Shibusen. He's an old acquaintance...

Master, why has the skirt For the uniform been designed so short? Was it to Master's tastes?

Boo..

Eh? Kim-senpai's not gonna wear "it"?

No

PON!

be quiet

This image is hosted at MangaTank.com

We're ready

Master, what should we do? I'd be embarrased with nothing to do.

re... really ♪♫♪

Jacqueline-senpai is so cute

huh?

ahh, so tired

after all, everything went along just fine...

!

If that's so, tell me before I put this uniform on

But isn't it a good thing to see that fine uniform?

As I thought, that size of a crowd was no big deal.

**But I, too, feel bad for Master...**

Hold on Anya-san, it's bad to say things like that.

Indeed, as always, but it's not like there's any customers here to vote...
